About NIT Srinagar

National Institute of Technology Srinagar is one of the premier Educational Institutes in the Northern Regions of the country. It was established in 1960. The institute is located on the banks of world-famous Dal-lake on one side and the world famous Hazratbal Shrine on the other side. The institute offers B.Tech, M.Tech, and Ph.D courses in diversified areas of Engineering and Science.

Objective of the FDP

The objective of this course is to provide multidimensional cognitive approach to problems from design perspective.
