1. Large number of representations were received for consideration of candidature for a lower level of Assistant Professor post than the level the candidate has applied for and declared as Not Eligible. For example a candidate applied for G-I, L-12 and was declared Not Eligible now she/he represented to consider his/her candidature for a lower level say G-II, L11 or G-II, L10.

The Institute has decided that such requests will not be considered.
